PROFESSIONAL SUMMARY

Results-driven Finance and Administration Business Analyst with 4 years of experience optimizing financial processes and ensuring 100% compliance with internal controls. Proven expertise in streamlining blended Collections and Billing workflows, accelerating invoice closure, and managing end-to-end Revenue Cycle Management (RCM) within Shared Services. Recognized as Best Performer of the Year for driving cash flow improvements, reducing AR aging, and executing flawless high-volume financial transactions.

CORE COMPETENCIES & SKILLS

Financial Operations: Revenue Cycle Management (RCM), Accounts Receivable (AR), Billing & Collections. **Compliance & Risk:** Internal Controls, Policy Adherence, Audit Readiness.

Technical Skills: Advanced MS Excel, MS Word, ERP Systems, Shared Services Systems. **Soft Skills:** Stakeholder Collaboration, Team Supervision, Issue Resolution, KPI Monitoring.

PROFESSIONAL EXPERIENCE

Finance and Administration Business Analyst | IBM

Delhi, India | Mar 2022 - Present

- Optimized blended Collections and Billing processes for complex, high-volume transactions, significantly improving processing efficiency and accelerating invoice closures.
- Ensured strict adherence to internal policies and Internal Controls frameworks across all financial operations, maintaining 100% compliance and supporting audit readiness.
- Analyzed end-to-end ERP and Shared Services system interfaces to identify bottlenecks and data inconsistencies, proposing targeted improvements that enhanced data accuracy and operational integration.
- Contributed directly to Revenue Cycle Management by coordinating between AR, billing, and collections teams, actively reducing outstanding receivables aging and strengthening cash flow.
- Maintained strong stakeholder relationships by delivering regular status updates, resolving customer query escalations, and consistently meeting or exceeding SLA targets.
- Supervised, monitored, and supported a team of 2 employees, training end users on key financial processes to ensure high-quality service delivery.

KEY ACHIEVEMENTS

- **Best Performer of the Year:** Recognized for exceptional contributions to cash flow improvement and process optimization.
- **Employee of the Month:** Awarded for significantly reducing billing errors and driving faster AR resolutions.
